Many of Our Neighbors Are Struggling to Put Food on the Table. Together, We Can Help.

Organize a Food & Fund Drive at your workplace, place of worship, neighborhood, or civic organization this holiday season.

Family Pathways exists to help people - it’s what we do. We specialize in being there to help people experiencing personal challenges, surviving recessions, and through pandemics like we’re experiencing today. But this work doesn't happen without YOU.

This year, an uncertain economy means more of your neighbors are missing meals.

Community support forms the foundation of Family Pathways’ resources to build stability and hope by fighting hunger in east central Minnesota and western Wisconsin. Donations of non-perishable food items and financial donations to leverage our buying power - support Family Pathways’ food access services including 9 food shelves, mobile pantry, doorstep food delivery for seniors, school backpack programs, and more. Over 20,000 people a year find assistance at Family Pathways – and we are preparing for many more to turn to us in the months to come.

Often at this time of year - businesses, churches, and civic organizations – increase their charitable giving. Food Drives are often a part of these efforts. Though 2020 is unique, there are still ways to get involved safely:

- Host a Virtual Food Drive
- Host a traditional Food & Fund Drive
- Volunteer for a Small Group Project
- Get the Word Out that Help is Available

We’ve included Food & Fund Drive 101 in this packet to get you started on whichever activity you choose.

Together, with you by our side, we will provide not only actual food to families this holiday season but also a feeling of relief...of peace...of hope.

Warm wishes this season and year-round,

Kathy Wills, Director of Food Access
Lori Damon, Food Access Manager

Food Shelf Coordinators:

Susan & Wendy (Cambridge)  Richard, Bart, & Joe (Food Rescue)  Jackie (Pine Community)

Thank you for working alongside Family Pathways to provide everyday and holiday meals to neighbors and friends across east central Minnesota and western Wisconsin! Here is a useful guide to hosting a food and fund drive and other ways to help your local community this holiday season.

**Virtual Food & Fund Drive**

Instead of going to the grocery store and buying food items, participants can take advantage of Family Pathways’ bulk purchasing power to maximize the impact of their donations!

How to set-up your virtual food drive:

1. Visit the Virtual Food Drive Webpage at [FamilyPathways.org](https://www.familypathways.org)
2. Click on “Become a Fundraiser”
3. Follow the steps to set up your own page including a goal, your own picture or logo and a message for your community.
4. Share your page and collect food - virtually!

**Traditional Food & Fund Drive**

Host a Drive Up/Drop Off event or put a collection bin out at your business, organization, or church and invite your network to drop off food items.

1. Register your Food & Fund Drive at [Family Pathways.org](https://www.familypathways.org) so we can help promote your event
2. Select dates for your campaign
3. Use the provided materials to let donors know where and when they can drop off their food and financial donations.
4. Create clearly marked collection bins in easily accessible locations

**Small Group Volunteer Project**

Grab your small group of co-workers, congregants, or organization members to help at a food shelf or other Family Pathways program. Projects may include cleaning, filling orders, organizing thrift store items, stocking food shelves, and more! Learn more at [FamilyPathways.org/volunteer](https://www.familypathways.org/volunteer).
