

SCHOOL SUPPLY DRIVE THEME IDEAS

A theme makes a School Supply Drive fun and builds excitement for participation

Giving tree: Set up a Christmas tree (any time of year!) and hang envelopes for customers/employees to give financially. Envelopes can be set up with denominations relating to school supplies (Ex: \$30 fills a backpack for a local student, \$50 buys a scientific calculator.) Family Pathways can provide labeled envelopes for this purpose upon request.

Special Dress Day: At work or in class, have students or employees pay to wear certain attire with either a \$5 donation or school supply item (casual dress, jean day, t-shirt day).

Challenges: Organize a contest between co-workers, branches, departments, etc. to see who can raise the most funds and/or collect the most supplies or fill the most backpacks.

Fill the bag: Provide a bag or backpack with a list stapled to it for each employee, student or church member to bring home and fill with school supplies.

We're here to help!

Download other support materials—tips, donation box signs, etc—at FamilyPathways.org to help promote your school supply drive.
