Family Pathways Staff Newsletter

OCTOBER 2021

Connecting with Leadership:

I had the opportunity to volunteer at our Black Dog Hill Shelter with one of our board members (Julia Risland) and some Harris firefighters to construct a much needed and highly anticipated playground for the kids and families staying there. This project was great reflection of our community, volunteers and staff working together to enhance the lives of those needing services. Thanks to the shelter staff and clients for being great hosts, providing lunch, snacks and conversation. October is National Domestic Violence Awareness Month let's help recognize this by volunteering, donating, and promoting resources for those in need. Everyone deserves to live and grow in a safe, supportive, and violence free home.

Staff Spotlight:

Maggie Fure is the manager at the Black Dog Hill shelter. She started in community advocacy in Dec. 2018 and is has an associate degree in criminal justice. She has worked to transform the shelter to a warm and welcoming home—a place for healing and new beginnings. Says supervisor Lori Quist, "She is awesome! Hard worker - person centered and full of energy- she is a huge part of the success we see at the shelter. She takes on any task I give her, she is always willing to go the extra mile, she is great with clients and eager to enhance her skills. She is a true asset to Family Pathway and we are lucky to have her." Thanks for all you do, Maggie!

Mission Moment

The Harris firefighters teamed up with Family Pathways in September to build a playground for the Black Dog Hill Shelter. Afterwards, the fire department told us that, "The smiles on the kids faces when we were done was enough payment for a thousand lifetimes!"

Connecting with Volunteers:

Last month, the amazing Girl Scout Troop 55710 visited our domestic violence emergency shelter and spent a few hours doing crafts with the kids there. It was a fun day and everyone enjoyed themselves. This is great example of creative ways that small groups find to volunteer with our programs.

Connecting with Community

- **Women’s Empowerment Luncheon** –*Date change!* Due to public health concerns the date for the Women’s Empowerment Luncheon has been changed to January 29, 2022. Check out the event page at igfn.us/e/PacykA for more information and the latest updates!
- There will be a free food distribution event on **October 6th** from 1pm-3pm at Pine Technical and Community College. This event is being sponsored by East Central Energy and is open to all households. Spread the word!
- Help us spread the word about **Food and Fund Drives!** Often at this time of year businesses, churches, and civic organizations increase their charitable giving. Food Drives are often a part of these efforts. We provide everything an organization or individual needs to host their own drive! All this information can be found at FamilyPathways.org/host-a-food-and-fund-drive
- **Parenting Time Services** (aka supervised visitation) has received a grant of **\$10,000** from The Northland Foundation! This grant allows us to meet the needs of families who would otherwise not have access to our services because of economic barriers. Having the option of providing visitation appointments to a family that is unable to pay helps us continue supporting the noncustodial parent/child relationship, promoting healthy attachment, and keeping families connected. Congrats to our Parenting Time team and our grantwriter, Deena Anders!

Connecting with Yourself: Wellness

In addition to Domestic Violence Awareness Month, October is also National Work and Family Month. During this time, businesses across the U.S. are asked promote healthier and more flexible work environments. The goal of the campaign is to remind employers about the business benefits of supporting work-life effectiveness programs. Today, our families come in all shapes and sizes. Between work, family, and personal life, we all face many responsibilities every day... which is why finding a healthy balance among them all is so important.
