Family Pathways Staff Newsletter

JULY 2022

## Connecting with Leadership:

Happy 4th of July!

I hope everyone had a safe and healthy Independence Day and the chance to take a moment relax and even reflect on the Declaration of Independence, specifically in regards to everyone having the right to equality, liberty, and the pursuit of happiness. These foundational truths are as relevant today as they were 246 years ago and I'm proud our own mission and vision directly speak to these ideas. As a Family Pathways employee you are directly contributing to these values locally each day. With our new fiscal year starting July 1st we are in a strong position to continue to 'work alongside people to enhance lives...' and will do so with a 'Every Voice. Every Possibility. Every Day.' approach.

### Staff Spotlight

Abbie Hennig is a Community Advocate who joined Family Pathways in September 2020. Originally from Lindstrom, Minnesota, Abbie currently resides in Wyoming, Minnesota with her family. Her favorite part about working at Family Pathways is "feeling like I am making a difference in someone's life, no matter how big or small." If she could do one thing to make our community better, Abbie believes it should be "Integrating courses/programs into schools that are designated to prevent domestic violence/sexual assault in the earlier stages of life. I think educating youth at the proper time in their life is the best way to stop violence before it ever starts. I also think it is important that more schools start to discuss uncomfortable issues that are happening in the world." And a random fun fact—Abbie was a figure skater for 10 years!
