2023 IMPACT REPORT

FUNDING IMPACT

FOOD ACCESS AND EQUITY

Family Pathways provides access to healthy food for families and individuals in crisis through 9 Food Shelves, a mobile food pantry, weekend food (Backpack) program for youth, and Doorstep Delivery - a program bringing food directly to housebound seniors.

"With the price of food, electricity, and my medical expenses I wouldn't be able to live independently without the support of Family Pathways"

AGING SERVICES

Aging Services helps older adults and their caregivers age well at home by providing homemaking services, caregiver support and consulting, and community education.

"Without having my homemaker come in, I wouldn't be able to stay in my home!"

DOMESTIC VIOLENCE AND SEXUAL ASSAULT SERVICES

Through advocacy, emergency shelter, and education, we partner to promote violence-free lives and break the cycle of abuse. Our Domestic Violence and Sexual Assault Services include the Black Dog Hill Emergency Shelter, a 24-hour crisis hotline, community advocacy, criminal justice advocacy, and intervention programs.

"Breaking the cycle of abuse is difficult but with help I have been able to do that and give my kids the chance they deserve. Thank you for giving us the chance to finally feel safe."

PARENTING TIME SERVICES

Family Pathways provides supervised and monitored parenting time to assure that children have safe contact with absent family members. This service is offered as a tool to assist families as they navigate difficult times and transitions.

"I was worried about everything and this is such a relief in so many ways - using your services is the best choice and I am so grateful they exist!"

FUNDING SOURCES

VOLUNTEERS

Every day, Family Pathways provides volunteer opportunities that create positive change in East Central Minnesota and Western Wisconsin. We rely on our volunteers across all of our programs and we are so grateful for their dedication. Family Pathways volunteers come from all walks of life, backgrounds, service groups, businesses, youth groups, and educational systems. In 2023, 1,287 volunteers served 60,808 hours in roles throughout our Family Pathways Programs, with their hours providing a total value of \$2,096,051.

DONORS

This year our donors contributed 2,007,696 pounds of food to our food shelves, over 2.3 million items to our Thrift Stores, and more than \$1.2 million to our programs. This has allowed us to support more than 20,000 of our neighbors in need over the past year.

"I've been where Family Pathways clients are. There were certainly times when I had no idea what we were going to eat for our next meal and leaned on food shelves as needed. As my life turned around and my earnings increased over time, I vowed to give back through donations such as volunteerism, items, food or money. I'm happy that we are able to support others and that this gift will purchase so many groceries."

SOCIAL ENTERPRISE (THRIFT STORES, RECYCLING & ECOMMERCE)

More than a place to find a bargain, Family Pathways Thrift Stores transform donated goods into opportunity, investment, and good environmental stewardship. The profits from our Social Enterprise are invested directly back into the programs that serve our communities. 47% of our organization's funding comes from the revenue generated by our 10 Thrift Stores, eCommerce, and our metal and clothing recycling programs.
